

Dream School Foundation
Making the Right to Education Real

Date: 17-04-2023
Place: Bangalore

TO WHOMSOEVER IT MAY CONCERN

Dream School Foundation (DSF) is an Indian registered non-governmental organization with a mission to make the Right to quality education, overall development, and happy childhood a reality for our children.

Mr. Kushal Sai. R, working at Cognizant Technology Solutions as an Associate, volunteered with our organization from Jan 2022 to Apr 2023 for 70 hours. While volunteering, he taught our Ten Plus Program degree students various topics related to Computer Science as part of the Technical competencies.

The details of the topics are given below.

- 26 hours of Aptitude Classes, and topics covered were Probabilities, Integrals & Deferential.
- 20 hours of Basics of Programming & Coding
- 24 hours of Python Programming Language

Mr. Kushal Sai. R is highly committed to his work, and his involvement has benefited our organization. We found him self-motivated, sincere in his approach, and passionate while teaching the students. We appreciate the efforts and services rendered by him.

We from Dream School Foundation wish him success and fulfilment in all his future endeavors. We are very thankful for his contribution to our organization and look forward to a continued association with him.

Yours Sincerely,

For **DREAM SCHOOL FOUNDATION**
